

PROVOST'S ADVISORY COUNCIL ON UNDERGRADUATE ENROLLMENT MANAGEMENT

Last Updated: February 14, 2024

Charge:

Coordinate data sharing and centralize trend analysis, excluding any data relating to a student's individual financial circumstances, for all aspects of undergraduate enrollment for purposes of admissions, budget, housing, and academic planning.

Areas of Review:

1. Annual Enrollment Planning & Budgeting (Class size, transfers, overall headcount)
2. D-Plan management (optimizing term enrollments)
3. Retention & graduation tracking Implementation of American Talent Initiative (Pell expansion)
4. Financial Aid Tracking
5. Readmission policy and strategy
6. Develop and manage an enrollment data dashboard
7. Enrollment growth (future)
8. Need-blind international – implementation
9. Bed management/housing optimization
