

## ACADEMIC PLANNING COUNCIL

Last Updated: April 1, 2024

### Charge:

To serve in an advisory capacity to the Provost, meeting as needed, to:

- serve as a central point for discussion of academic issues of relevance across campus;
- consider proposed academic programs (degrees, departments, centers, institutes): their alignment with the institutional mission, their place in the context of other campus programs, and their financial sustainability;
- consider proposed institutional policies and their impact on academic programs;
- review reports from major institution-wide studies;
- discuss strategic institutional issues related to the academic mission of the College.
